SIZES:

**69917 – 6/1L**

**69918 – 2/4L**

PRO•LINK ECO•PRO Odour Neutralizer with Biological Action is an Environmentally Preferred Product that is Ready To Use. When used accordingly this on contact odour neutralizer renders the toughest organic odours and smells undetectable. Odours like smoke, urine, skunk, tomcat spray, garbage, feces, mold and mildew. With its biological, action and on contact with odours it quickly penetrates recurring organic smells stopping them from re-offending the olfactory.

### DIRECTIONS:

**FOR AIRBONE AND LINGERING ODOURS:** Using a fine mist Trigger Sprayer or Pump up Canister Sprayer: 1) Start by spraying the perimeter of the room, then treat other areas, like furniture, drapes, fabrics and any potential areas where odours may be permeating from. 2) Wipe any heavy residual from hard surfaces with a soft or microfiber cloth

**FOR ODOURS PERMEATING FROM A KNOWN SOURCE:** Using a fine mist Trigger Sprayer or Pump up Canister Sprayer: 1) Start by spraying the perimeter of the Source, like garbage chutes, compactors, cans, receptacles, large carpet areas for restoration, pet areas and pens, walls and ceiling tiles with smoke damage, urinals and toilets, allies and stair wells. 2) Spray a fine finishing mist over recently extracted carpets to control odours while carpets are drying. 3) For sour smelling mops and soft cleaning tools, submerge or heavily spray, and let dry.

Major ingredients include, zinc compounds and biological material. Food contact surfaces in contact with this product must be washed with an acceptable cleaner and rinsed with potable water before re-use. Suitable for use in food plants. Avoid food contamination during the use and storage of this product.

KEEP FROM FREEZING. FOR INDUSTRIAL USE ONLY.

### PHYSICAL PROPERTIES:
